

## on-campus meal plans

For Undergraduate Students Living in the Residence Halls **2024-2025**

At Berkeley Dining you can purchase meal plans with the flexibility, convenience, and value you need while serving nutritious, local, and sustainable food.

### **Eat where you want, when you want**

Enjoy easy access to a variety of welcoming locations with sit-down and on-the-go options. Use your meal swipes at the dining commons or as a “meal equivalency” swipe at participating locations. Use your flex dollars at campus restaurants, convenience stores, and the dining commons if you run out of meal swipes for the week.

### **Spend less and save more**

With flex dollars, you pay less than the cash price at the dining commons—on average about \$4 less per meal! You can also use your flex dollars for guests. Get more for your money any time you purchase add-on flex dollars—110 flex dollars for \$100 or 55 flex dollars for \$50.

### **Leave stress behind**

Don't worry about grocery shopping, cooking, or washing dishes. With your busy schedule, you deserve an easier way to eat well. Add flex dollars, check your balances or transactions online any time you want at [dining.berkeley.edu](https://dining.berkeley.edu).

# the plans

Meal plans include a combination of meal swipes and flex dollars. Each week a specific number of meal swipes will be available for you to use. Any unused meal swipes expire on Saturday at midnight each week and reset for the upcoming week. Meal swipes may only be used by the meal plan holder.

Flex dollars work on a declining balance, with half the flex dollars available for each semester. Flex dollars will roll over from the fall to spring semester. **Choose a plan that works for you.**
